

Table Tennis Rules

- There would be two tournaments i.e., team tournament and singles Tournament for both boys and girls.

- Team matches will begin on Day1 morning and Single tournament will begin on Day2.

- **Team Size :**

A team can consist of 3 to 6 players, but a single player cannot play in more than 2 matches.

Team matches will be in the following format

1. Single
2. Single
3. Doubles
4. Single
5. Single

Rules :

Team matches:

A singles match will consist of 3 or 5 sets depending on the round. A single set will be of 11 points. All match types will be knockouts.

Singles Tournament:

A single match will be of 3 sets in the beginning and the quarters, semis and finals will be of 5 sets. All match types will be knockouts.

General Rules/Guidelines:

The game starts with the toss. The winning player or team chooses the serve or receive. The losing player has a choice of sides.

Players take turns serving groups of 2 consecutive points, unless the score becomes **10-10** in which case the receiver will make one service followed by the original server with one service etc., until a winner is declared.
